## **Certification of CPNI Filing February 2, 2006**

### **South Central Wireless**

South Central Wireless hereby submits that its procedures regarding its customers' Customer Proprietary Network Information ("CPNI") are in compliance with Section 222 of the Communications Act of 1934, as amended (47 U.S.C. 222) and 47 CFR §§64.2001-64.2009.

South Central Wireless takes its statutory responsibility to protect its customers' CPNI seriously and therefore does not sell, rent or otherwise disclose customers' CPNI to other entities. Further, South Central Telephone Wireless does not currently use, nor allow its affiliates to use, any customers' CPNI in marketing activities. Any request for CPNI is immediately forwarded to Steve Davis, the General Manager of South Central Wireless. South Central Wireless's employees have been educated about CPNI, federal regulations and South Central Wireless's statutory responsibility to its customers. Any unauthorized use, sale, or otherwise disclosure of CPNI by any employee would subject the employee to disciplinary action, up to and including immediate dismissal. Further, South Central Wireless does not use, disclose or permit access to customers' CPNI for the purposes of identifying customers placing calls to competing carriers.
